Re. INVITATION TO PARTICIPATE ON Virtual CPD ACTIVITY ENVIRONMENTAL HEALTH SEMINAR

As pledged by the President in his year-end address, the South African Institute of Environmental Health has organised an International Environmental Health Seminar featuring speakers from various parts of the world. We hope that every Environmental Health Practitioner (EHP) will meet the Continuing Professional Development (CPD) requirements as mandated by the Health Professions Council of South Africa. The virtual seminar is entitled "**Environmental Health: First Line of Defense**" and is set to take place as follows:

Date : 25-27 March 2026
Time : 08h00

Join the international experts elaborating the role played by Environmental Health Practitioners as first line of defense.

The closing date for the registration is 20th of March 2026

Link will be sent to registered participants by the 23rd of March 2026

Members are also requested to ensure that their membership status is up to date.

Please note:

- 1. Only new members who have not attended any of SAIEH CPD activities must complete and send the application form with proof of payment to the National General Secretary.**
- 2. Those who have been attending SAIEH CPD activities must not send the registration form but only put their HPCSA Registration Number or Full Names, as reference number.**
- 3. Institutions that prefer bulk payment for their EHPs must only send the list of the participants with their Full Names and HPCSA Practice Number, and proof of payment.**

**SAIEH President
Nemakonde ND**
